Tools and Platforms: Git, GitHub, Node, Heroku

Projects

Click Project | <https://github.com/syeda-zaidi/CLICK> | <https://click-project.herokuapp.com/>

- “Click” is a dating app that lets users meet people of similar interests based on their knowledge of the field.
- I worked on the back-end of the project, user authentication using Passport.js, express routes setup, RESTful API, MySQL database setup and database queries.
- Tools / languages used: HTML, CSS, JavaScript, MySQL, Express, Handlebars, Sequelize, Passportjs

Tetherred Project | <https://github.com/syeda-zaidi/Tetherred> | <https://tetherredapp.herokuapp.com/>

- “Tetherred” is a social media experiment to integrate different aspects of different social networks to create a more customized outlook and replace multiple apps with one cohesive experience.
- I worked on user authentication, front to back end API calls, express routes and database integration, mongo database setup and database queries, on the front end used material-ui and react routing and components.
- Tools / languages used: React, react-router-dom, Material-ui, React-Bootstrap, Express, Express-sessions, Passportjs, MongoDB, Mongoose, newsAPI, SpotifyAPI

TechIN Project | <https://github.com/syeda-zaidi/project-1> | <https://syeda-zaidi.github.io/project-1/>

- “TechIn” is a job search website where user can search for jobs based on keywords, location, salary and distance from the user's location
- I worked on the APIs for the project, acquiring and organizing data from joogle API and geocoding API to search with user location. In the front-end, I worked on the carousel view of the results.
- Tools / languages used: HTML, CSS, Bootstrap, JavaScript/jQuery, Datatables
- APIs used: joogle Api, Geolocation and Reverse Geocoding

Education

Bootcamp Certificate: UCLA Extension, Los Angeles

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Degree:

Masters in Business Administration (MBA)

Szabist Institute of Technology, Dubai, UAE

BS in Biotechnology

University of Karachi, Pakistan

Experience

Business Development Executive First Abu Dhabi Bank

2014– 2016
Dubai, UAE

Responsible for handling customer accounts and create business opportunities for the company while marketing the company's various products, providing customer service and resolving issues. Utilizing my ability to clearly communicate, attentiveness, time management and a positive attitude, I was able to efficiently perform all duties assigned.

Key Accomplishments:

- Was able to acquire new customers and retain them for repeat business
- Converted inactive account holders to active customers for the bank
- Successfully met all monthly sales targets, with least errors
- Worked in a team environment to achieve both personal and team goals efficiently
